

## **Premera Transactions Continue to June 1, 2011- Payer ID 00934**

**Dear Valued Vendor Partner:**

Availity will continue accepting Premera / Lifewise electronic data interchange (EDI) transactions through June 1, 2011.

To minimize disruption to providers, Availity is currently working to establish a long term solution for accepting Premera claims indefinitely.

At this time, providers do not need to seek an alternate clearinghouse for their Premera transactions, as the connection through Availity will remain active until June 2011.

As always, we will notify you of any changes as soon as they are announced. In the interim, please contact your Availity Account Manager with any questions.
